GERMAN FOREIGN MINISTER MAAS WARNS OF HARD BREXIT AS TALKS STALL

- 11.05.2020

Deutsche Welle (9 May 2020)

A hard Brexit is becoming increasingly likely, as negotiations between Britain and the European Union have stalled, German Foreign Minister Heiko Maas told the Augsburg Allgemeine newspaper.

Talks on the future trade relationship and 2021 trade terms between the two blocs have hardly made any progress since the negotiations resumed last month, according to officials.

"It's worrying that Britain is moving further away from our jointly agreed political declaration on key issues in the negotiations," Maas said, in an interview published on Saturday.
