
NPC: CHINA TO PRESENT HK 'SEDITION' LAW AT PARLIAMENT

-

22.05.2020

BBC (22 May 2020)

The Chinese government is set to present a controversial Hong Kong security law at its congress, the most important political event of the year.

Hong Kong's "mini-constitution" says it must enact security laws to prevent "treason, secession and sedition".

But such laws have never been passed and now Beijing is now attempting to push them through.
