
OPINION: GEORGE FLOYD KILLING OPENS RACISM WOUNDS FOR EUROPEAN BLACKS

-

01.06.2020

Deutsche Welle (1 June 2020)

Chiponda Chimbela

The killing of George Floyd is probably the only time several friends and acquaintances have written me about a racist killing. Some are sharing how they feel, and others wrote to say they are there for me. One message especially stuck out.

"Are you actually happy not to live in the USA at the moment?" a German friend wrote on WhatsApp. "The recent events are unfortunately very sad," he added.

It took me about a whole day to respond.
