SWEDEN DROPS PROBE INTO 1986 MURDER OF PRIME MINISTER OLOF PALME

-

10.06.2020

Deutsche Welle (10 June 2020)

Sweden ended its investigation into the murder of Prime Minister Olof Palme on Wednesday after it was revealed that the main suspect in the case is already dead.

Palme was shot dead on February 28, 1986 after leaving a movie theater in Stockholm with his wife.

Prosecutors identified the main suspect in the case as Stig Engstrom, a Swede who opposed Palme's leftwing policies.
