## IRAQ SUMMONS IRANIAN ENVOY IN PROTEST OF BORDER STRIKES

-

19.06.2020

---

Anadolu Agency (18 June 2020)

Ibrahim Saleh

Iraq on Thursday summoned Iran's ambassador in Baghdad to protest Iranian artillery shelling along border areas, a Foreign Ministry statement said.

At the ministry, Ambassador Iraj Masjedi was handed a protest note over artillery strikes that targeted border villages in the Erbil province of northern Iraq.

The statement urged Tehran to respect Iraq's sovereignty, demanding it stop such strikes and instead seek cooperation in controlling their shared borders.
