
HONG KONG SECURITY LAW: CHINA PASSES CONTROVERSIAL LEGISLATION

-

30.06.2020

BBC (30 June 2020)

China has passed a controversial security law giving it new powers over Hong Kong, deepening fears for the city's freedoms, the BBC has learned.

Last month China stunned the city when it said it would criminalise any act of secession, subversion, terrorism or collusion with foreign forces.

The move came after angry protests last year - sparked by another law - which became a pro-democracy movement.
