---

MENAFN (9 July 2020)

*Criminal justice services in Iraq strengthened thanks to new contribution from Germany*

The Government of Germany has committed USD 1.13 million to support the Government of Iraq strengthen its criminal investigations and crime scene management under a new project in partnership with UNDP Iraq.

Strengthening Criminal Investigations and Crime Scene Management Capacities in Iraq aims to increase the reliability and effectiveness of criminal investigations, ensuring they are well integrated and proactively conducted by local police. It will also improve the performance of investigators, making their role in criminal investigations more accountable.
