
IRAQ BANS PARTIES, TRIBES FROM CARRYING WEAPONS

-

16.07.2020

Anadolu Agency (15 July 2020)

Ibrahim Saleh

The Iraqi government decided on Wednesday to ban parties and tribes from carrying weapons, according to the official Iraqi news agency.

Prime Minister Mustafa al-Kadhimi said his cabinet held a meeting in the southern Basra province and voted to prevent any party or tribe from carrying arms.

The move came four days after al-Kadhimi ordered the Iraqi army to control the proliferation of weapons in the country.
