BELARUS ELECTION: SNATCHED FROM THE STREETS IN EUROPE'S 'LAST DICTATORSHIP'

-

22.07.2020

BBC (21 July 2020)

Activists and journalists are being rounded up and jailed in Belarus ahead of next months elections.

People say its the most brutal crackdown the country has ever known.

President Alexander Lukashenko has been in power for more than a quarter of a century, but opposition to the authoritarian leader is growing.
