
POMPEO URGES INDIA TO DECREASE DEPENDENCE ON CHINA

- 23.07.2020

Aljazeera (22 July 2020)

India and China have found themselves nearing war in recent months, and the US is hoping India will look West.

United States Secretary of State Mike Pompeo urged India on Wednesday to focus on domestic supply chains and reduce its dependence on China for telecommunications and medical supplies, as Washington's ties with Beijing deteriorate dramatically.

India had a chance to move "supply chains away from China and reduce its reliance on Chinese companies in areas like telecommunications, medical supplies and others", Pompeo said at the US-India Business Council's India Ideas Summit, being conducted online.
