MACRON: FRANCE SUPPORTS MONTENEGRO ON ITS EU PATH

- 29.07.2020

Independent Balkan News Agency (17 July 2020)

Mladen Dragojlovic

France supports Montenegros European perspective. Negotiations for membership are demanding and require complete fulfilment of the set criteria. I welcome Montenegros decision to accept new methodology for EU enlargement, said President of France, Emmanuel Macron in his congratulatory note on Montenegros Statehood Day.

Macron said he wanted to express his own and the solidarity of the French nation.
