Arab News (11 August 2020)

Kuwait and Iraq separately denied an attack took place against a convoy carrying equipment for American forces.

An explosion near the Jraischan border crossing between Iraq and Kuwaiti on Monday evening targeted a convoy carrying equipment for US forces, three Iraqi security forces told Reuters.

It was not immediately clear if there were any US troops in the convoy or if anyone had been injured in the explosion, which went off just before 9 p.m. Baghdad time.
