The Minister of Foreign Trade and Economic Relations of Bosnia and Herzegovina, Staša Košarac, reiterated today his determination to unblock the appointment of an expert team for Trgovska Gora, thwarting the intentions of the Republic of Croatia to build a radioactive and nuclear waste landfill at that site.

Following the video conference of the representatives of the civil sector and competent institutions on the implications of the disposal of radioactive waste and spent nuclear fuel on Trgovska Gora, Košarac pointed out that the primary goals in that regard are the protection of health and the environment.
