
TAIWAN REPORTS MULTIPLE CHINESE FIGHTER JETS TO ITS SOUTHWEST

- 10.09.2020

The Japan Times (9 September 2020)

Multiple Chinese fighter jets entered airspace to Taiwans southwest on Wednesday, the islands Defense Ministry said, describing it as a destabilizing action that threatened regional peace.

Taiwan, claimed by China as its own territory, has repeatedly complained of Chinese military activities near the island, including regular air force patrols. China says such drills demonstrate its resolve to protect its sovereignty.
