
MYANMAR MILITARY GETS BILLIONS FROM PROFITABLE BUSINESS: AMNESTY

-

10.09.2020

Al Jazeera (10 September 2020)

A secretive Myanmar conglomerate with links to international businesses was accused on Thursday of directly bankrolling the country's military, including those who have allegedly committed atrocities against Muslim Rohingya and other minority ethnic groups.

Amnesty International says its investigations into Myanmar Economic Holdings Limited (MEHL) show Myanmar's military has received dividends of as much as \$18bn from the Yangon-based company over the years. Its entire board is made up of senior military officials, it added.
