EU Observer (10 September 2020)

By Eszter Zalan

The European Parliament wants to see a legally-binding commitment from member states on new EU levies and additional funding for key EU policies in the ongoing negotiations on the  trillion long-term budget and the recovery fund.

MEP Johan Van Oortveldt, the parliament's budget committee chair and chief negotiator, told EUobserver on Wednesday (9 September) that "what is now on the table is not acceptable for the parliament".
