By Hannah Roberts, Paola Tamma And Giorgio Leali

Italys fragmented government survived a critical test and lives to fight another day.

Both coalition partners – the 5Star Movement and the Democratic Party – claimed victory after Italians went to the polls on Sunday and Monday to vote in regional elections and in a constitutional referendum.

The Democratic Party (PD) fought off a challenge from the right in three out of the four regions it was defending, including its traditional stronghold of Tuscany. It also held onto Puglia and Campania but lost Marche.
