
GERMAN CHANCELLOR MERKEL VISITED KREMLIN CRITIC NAVALNY IN HOSPITAL

-

28.09.2020

Deutsche Welle (28 September 2020)

Merkel's spokesman Steffen Seibert confirmed that the chancellor privately met with Navalny while he was undergoing treatment for poisoning. Germany has demanded answers from the Kremlin regarding the incident.

Chancellor Angela Merkel visited Russian opposition figure Alexei Navalny while he was undergoing treatment for poisoning in a Berlin hospital, German government spokesman Steffen Seibert said Monday.

Seibert confirmed Navalny's own report that the "personal visit" took place, but declined to provide further details.
