A mass grave of dozens of Iraqis killed by the Daesh/ISIS terrorist group was unearthed in the northern Kirkuk province, according to a local security officer on Tuesday.

The grave in the town of Dawood al-Alouka contains the remains of 45 people killed by Daesh/ISIS terrorists, the officer said on condition of anonymity because he was not authorized to speak to the media.

He said forensic authorities will exhume the bodies for DNA tests to identify them.
