
WHY THE U.S. COULD BE THE BIG LOSER IN THE HUGE RCEP TRADE DEAL BETWEEN CHINA AND 14 OTHER COUNTRIES

-

19.11.2020

Time (17 November 2020)

Amy Gunia

When 15 nations across the Asia-Pacific region inked the largest regional free trade agreement ever on Nov. 15, there were no handshakes or state dinners [] the significance of the deal was no less dramatic for it.

The Regional Comprehensive Economic Partnership (RCEP), signed via videoconference due to COVID-19 travel restrictions, brings together countries that comprise some 2.2 billion people and 30% of the worlds economic output.
