
EU LAW NEEDED TO PROTECT FREE PRESS, NGOS SAY

-

02.12.2020

EU Observer (2 December 2020)

Andrew Rettman

More than 60 NGOs and media, including EUobserver, have signed a call for an EU-wide law to stop the rich and powerful from silencing critics with malicious litigation.

The practice, known as strategic lawsuits against public participation (Slapp), is on the rise in Europe.
