Mario Tanev

Sofia, Bulgaria

Swedish aerospace and defence company Saab signed a contract with German shipbuilding company Lurssen to provide and integrate the combat system for the Bulgarian Navys new multipurpose modular patrol vessels, Saab said on Tuesday.

"We are proud to continue our successful cooperation with Lurssen. We look forward to contributing to strengthen Bulgarias defence and national security for years to come with our proven technology and solid naval combat system expertise," Anders Carp, deputy CEO of Saab, said in a statement.
