
FRANCE REOPENS TO UK, AS EU TACKLES NEW CORONA-STRAIN

-

23.12.2020

EU Observer (23 December 2020)

France has resumed transport links with the UK, on condition travellers get a negative test result, as the EU tries to contain a new type of Covid-19.

Flights, Eurostar trains, and ferries would restart services on Wednesday (23 December) morning, French transport minister Jean-Baptiste Djebbari said after talks with his British counterpart late on Tuesday.
