## **GREECE AND ISRAEL AGREE ON AIR FORCE FLIGHT TRAINING CENTRE IN KALAMATA**

-

04.01.2021

---

Greek City Times (29 December 2020)

After five months of negotiations, Greece and Israel have reached an agreement for the transformation of Kalamata Airport into a flight training center.

The agreement was presented last week to the relevant parliamentary committee by Defense Minister Nikos Panagiotopoulos.

According to sources, Israeli company Elbit was chosen over the Canadian CAE in the air battle to undertake the project.
