Rob Picheta

The US has banned imports of cotton products and tomatoes produced in China's Xinjiang region over forced labor concerns, US Customs and Border Protection (CBP) said on Wednesday.

The agency said the region-wide ban was "based on information that reasonably indicates the use of detainee or prison labor and situations of forced labor," saying it had found examples of debt bondage, restriction of movement, isolation, intimidation and threats, withholding of wages, and abusive living and working conditions.
