## **PORTUGAL PUSHES TO START DELAYED 'FUTURE EU' CONFERENCE**

-

20.01.2021

---

EU Observer (20 January 2021)

Portugal will push to start the ill-fated Conference on the Future of Europe at the beginning of its six-month presidency.

The conference, designed to include European citizens in shaping the future direction of the bloc, has been not only on hold because of the pandemic, but also due to intra-institutional infighting.
