Production Association "Derýaýollary" (River Routes) under the agency "Türkmendeňizderýaýollary" (Turkmen State Service of Maritime and River Transportation) Turkmenistan has been transformed into an open joint-stock company, Trend reports, citing the State News Agency of Turkmenistan.

As reported, some \$1.5 billion worth of foreign loan funds have been invested in the transport and communication sector of Turkmenistan in recent years.

For the beginning of March 2021, 67.8 percent of these funds have already been put to use.
