
PASHINYAN SUGGESTS PUTIN TO CONSIDER CONSTRUCTION OF ANOTHER NPP IN ARMENIA

-

08.04.2021

Armen Press (7 April 2021)

Prime Minister of Armenia Nikol Pashinyan suggested President of Russia Vladimir Putin to think over the opportunities of constructing a new nuclear power plant in Armenia, ARMENPRESS reports Pashinyan made the proposal during a meeting with Putin in Moscow.

I hope we will discuss some issues related with strategic investments and in this context I would like to discuss with you the opportunities of constructing a new nuclear power plant in Armenia, Pashinyan said.
