
THE FRENCH PROPOSAL FOR GREECE'S NEW NAVY FRIGATES

-

14.04.2021

Greek City Times (13 April 2021)

GCT P

A proposal to Greece's tender for new navy frigates was delivered today by the French Ambassador to Athens and the vice-president of Naval Group, a French defence contractor, Proto Thema reported.

The proposal includes the construction of one of the new Frégates de taille intermédiaire (FDI) frigates in France with a delivery date in early 2025.
