
AL-ARAJI: COOPERATION WITH NATO IS PART OF THE NEED TO DEVELOP THE TRAINING SIDE

-

18.05.2021

Iraqi News Agency (17 May 2021)

National Security Adviser Qassem Al-Araji stressed today, Monday, that cooperation with NATO falls within the framework of the need to develop the training side.

The media office of the National Security Adviser said in a statement received by the Iraqi News Agency (INA), that "Al-Araji received in his official office the commander of the new NATO mission in Iraq, Lieutenant-General Michael Lollesgaard, and during the meeting the two sides discussed the mission's work and its training tasks in Iraq, which are related to developing the training capabilities of the forces. Iraqi counseling. "
