MILITARY FACILITY AT BAGHDAD AIRPORT TARGETED BY DRONE ATTACK

-

16.06.2021

Sputnik (14 June 2021)

An unidentified unmanned aircraft on Monday targeted a military facility located at Baghdad International Airport, Iraqi news agency Shafaq reported, citing a security source.

According to the news outlet, the drone launched projectiles that landed near the fence of the Iraqi Air Force facility. No casualties have been reported so far.
