Kabar (26 July 2021)

The investigative service of the Ministry of Internal Affairs of Kyrgyzstan is investigating the pre-trial proceedings on the mass disorder on Oct. 9, 2020 in the Kyrgyz capital city of Bishkek.

According to the press service of the Internal Ministry, supporters of various political parties and their leaders gathered on Oct. 9 with demands and appeals to return supporters of other political parties and their leaders to the legal field.

A disagreement arose between the supporters, which turned into a mass riot with the use of firearms.
