EU KEEPS DOOR OPEN FOR US TOURISTS

-

10.08.2021

EU Observer (10 August 2021)

Non-essential travel from the US to the EU can continue for now despite a surge in US coronavirus cases and lack of reciprocity, according to the latest European recommendation.

EU countries made the decision in Brussels on Monday (10 August), three EU officials speaking to the Bloomberg and Reuters news agencies said.
