Public Radio of Armenia (13 September 2021)

Prime Minister Nikol Pashinyan received the delegation led by Toivo Klaar, EU Special Representative for the South Caucasus and the Crisis in Georgia.

Assessing the dynamic of Armenia-EU partnership, the Prime Minister attached importance to the visits of the President of the European Council, the European Commissioner for Enlargement to our country in July this year, noting that the Government is currently working on the finalization of the priorities of the 2.6 billion euro financial package provided by the EU.

Toivo Klaar reaffirmed the EUs political commitment to continue supporting our country in the priority areas for Armenia.
