Baku announced on Thursday it would hold Armenia accountable for its systematic violations of the International Convention on the Elimination of All Forms of Racial Discrimination (ICERD).

In a written statement, Azerbaijan's Foreign Ministry spokesperson Leyla Abdullayeva said Baku had been documenting carefully and gathering evidence of gross human rights violations by Yerevan against Azerbaijanis since the recent Nagorno-Karabakh conflict.

This includes Armenia's targeting of Azerbaijanis for the expulsion, torture, murder and serious mistreatment based on their ethnic origin as Azerbaijanis.
