Ilya Tsukanov

Iran's Revolutionary Guards launched multiple missile, artillery and drone attacks into Iraqi Kurdistan over the past ten days after warning that Tehran would not tolerate a buildup of jihadists and other militias in the area. Formally, Iran and Iraq remain allies in the war against Daesh (ISIS).\*

Iran will continue and perhaps even expand its missile strikes against terrorist groups in neighbouring Iraq, Armed Forces Chief of Staff Maj. Gen. Mohammad Bagheri has announced.
