ROMANIA'S PM-DESIGNATE SEEN LOSING CONFIDENCE VOTE, PROLONGING POLITICAL CRISIS

-

01.11.2021

Euronews (30 October 2021)

Bucharest

A minority government lineup put forward by Romania's centrist Prime Minister-designate Nicolae Ciuca will face a parliamentary vote of confidence next week, which he is widely expected to lose, further prolonging a month-long political stalemate.

Romania has been in political paralysis since a Liberal-led government was toppled by parliament on Oct. 5, threatening economic recovery and efforts to cut big budget and external shortfalls at a time of rising COVID-19 infections.
