## IRAN MAKES NEW PROPOSAL FOR IMPORT OF GAS FROM TURKMENISTAN

-

01.11.2021

---

Eurasia Review (31 October 2021)

Iran has offered Turkmenistan a new proposal to pay off its gas debts and revive a contract on the import of gas from the Central Asian country, Iranian Oil Minister Javad Owji said.

In an interview with Tasnim, Owji said Iran has put forward its proposal for the settlement of gas debts to Turkmenistan and revival of a contract to import gas from the neighboring country.

The Turkmens are currently considering Irans suggestions, the minister added.
