
UZBEKISTAN, TURKEY LAUNCH E-PERMIT SYSTEM

-

15.11.2021

Kabar (13 November 2021)

According to the Ministry of Transport, Uzbekistan and Turkey will launch E-Permit – electronic exchange of permit forms for the transportation of goods, UzA reported.

The Ministry of Transport organized the first test car rally using E-Permit.

On November 6, the car convoy left Uzbekistan and on November 10 arrived in Turkey through the Sarp checkpoint.
