
DENMARK AND HUNGARY OPPOSE EU RULES ON MINIMUM WAGES

-

07.12.2021

EU Observer (7 December 2021)

EU labour ministers agreed on Monday (6 December) minimum standards to better protect minimum wages in Europe, after months of negotiations - and strong opposition led by Scandinavian countries.

Although the EU draft law will not set a common EU-wide minimum wage, this new legislation is seen as a potential game-changer in countries where salaries are very low.
