
EU & SERBIA TO FINANCE NEW GAS PIPELINE BETWEEN NIS AND SOFIA

-

01.02.2022

N1 (31 January 2022)

The European Union and Serbia will finance the construction of a new gas pipeline between Serbia and Bulgaria.

The works will begin on Tuesday and should be completed in the fourth quarter of 2023.

The new Nis-Sofia gas pipeline and a new one under construction between Greece and Bulgaria will diversify energy sources in Serbia and the Western Balkans region and expand supply sources.
