Iraqi News Agency (3 February 2022)

The leader of the Sadrist movement, Muqtada al-Sadr, expressed his refusal to plunge Iraq into a dangerous regional war.

Al-Sadr said in a tweet to him, which was followed by the Iraqi News Agency (INA), "After the escalating violence in Iraq by armed terrorist parties against the interests of the people and political blocs, some outlaw terrorists rushed to plunge Iraq into a dangerous regional war by targeting a Gulf state under the pretext (normalization) or under the pretext of the war in Yemen or the like.
