NGOS URGE UNESCO TO INSPECT AZERBAIJANI CULTURAL HERITAGE IN ARMENIA

-

11.02.2022

AzerNews (11 February 2022)

By Vugar Khalilov

Azerbaijani NGO leaders have asked UNESCO Director-General Audrey Azoulay to send an expert group to Armenia to assess the current state of Azerbaijan's centuries-old cultural and historical heritage, Azertag has reported.

The appeal was made at a UNESCO event in Armenia to assess the state of Azerbaijan's cultural heritage, according to the report.

It was emphasized that Armenia has consistently opposed the implementation of such a mission in order to conceal its nefarious and illegal activities.
