## IRAQ SAYS INTERNATIONAL FLIGHTS RESUME FLYING THROUGH AIRSPACE

22.02.2022

---

Anadolu Agency (21 February 2022)

Ibrahim Saleh

Iraq said on Monday that international airlines have resumed using its airspace after a 7-year hiatus.

"The prestigious international airlines have resumed flying through Iraqi airspace since the beginning of February," Nizar Ibrahim Al-Ziyadi, the director of the General Company for Air Navigation Services in Iraq, said in a statement.

He said Iraqi airspace has since been crowded with British Airways being the latest to use it.
