## **NATO: KOSOVO CANNOT JOIN ALLIANCE**

-

04.03.2022

---

N1 (3 March 2022)

N1 Editorial Team

Kosovo cannot join NATO since four members of the Alliance do not recognise it, an official has said on Thursday.

"If one of the NATO member states proposes Kosovo as a new member, that is impossible according to the current rules of this organisation, because the four countries of the alliance do not recognise Kosovo, a NATO official said.

Slovakia, Spain, Greece, and Romania, all NATO and the EU members have not recognised Kosovo as an independent state.
