
PETKOV AND BLINKEN DISCUSSED BULGARIA'S DEFENSE MODERNIZATION AND ENERGY SECURITY

-

12.05.2022

Nova News (11 May 2022)

Secretary of State Antony J. Blinken met virtually with Bulgarian Prime Minister Kiril Petkov on Wednesday.

Secretary Blinken emphasized the importance of both a unified NATO and U.S. - EU response to Russias invasion of Ukraine and said the United States would continue to support Bulgarias defense modernization and energy security priorities.

The two politicians affirmed a shared vision for our Transatlantic relationship, and the Secretary reaffirmed the importance of expeditious EU accession for qualified aspirants.
