
GLOBAL COALITION: IRAQ DEFEATING DEASH IS A PRIORITY

- 12.05.2022

Iraqi News Agency (11 May 2022)

Global Coalition to Defeat ISIS ministerial meeting discussed on Wednesday, strengthening counter-terrorism capabilities of the civilian leadership in Iraq.

The Ministers of the Global Coalition to Defeat ISIS stressed during their meeting in Marrakech, Moroccan, their joint determination to continue to fight against the terrorist groups, which continues to represent an "ongoing threat", included a joint statement of the ministerial meeting of the Coalition, received by the Iraqi News Agency - INA.

The ministers welcomed "the first meeting of the Global College to Defeat ISIS that is held in Africa, and reaffirmed their common determination to continue fighting against Daesh via military and civilian efforts that contribute to the permanent defeat of the terrorist group."
