
SERBIA'S CAPITAL BELGRADE PARALYSED BY HUNDREDS OF BOMB THREATS

- 18.05.2022

Euronews (16 May 2022)

Serbia's capital was targeted by a slew of bomb threats on Monday, police have said.

Threats were made against schools, bridges, shopping centres, restaurants, the city zoo and a football match, bringing Belgrade rush-hour traffic to a standstill.

Police said in a statement that no explosive devices were found after more than 90 different searches and it was not immediately clear who was behind the purported emailed threats.
