
JAPAN OPENS BORDERS TO INTERNATIONAL TOURISTS FOR FIRST TIME IN 2 YEARS

-

10.06.2022

Anadolu Agency (10 June 2022)

Japan on Friday reopened its international borders for tourists after a two-year closure due to the COVID-19 pandemic, local media said.

The government resumed issuing tourist visas for 98 countries and regions, including the US, Britain, China, South Korea, Indonesia, and Thailand for guided tours, Kyodo News Agency reported.

Authorities are planning to resume full-scale arrivals of tourists from around the world by the end of this month.
