
FOREIGN FIGHTERS SENTENCED TO DEATH IN UKRAINE'S DONETSK REGION

-

10.06.2022

TRT World (9 June 2022)

Pro-Russian rebels have sentenced to death two British fighters and a Moroccan who were captured while fighting for Ukraine.

The death sentences on Thursday came from separatist authorities in the Donetsk region, which is part of the Donbass, as Moscow concentrates its firepower on the strategic industrial hub of Sievierodonetsk.

Rebels ordered the death penalty for Aiden Aslin, Shaun Pinner and Saaudun Brahim after they were accused of acting as mercenaries for Kiev, Russian media reported.
